

Internal Sales Executive

Location: Bourne End, Buckinghamshire or Radcliffe, Manchester.

Starting Salary: Negotiable

The Company:

Thermosense Ltd specialise in the manufacture and supply of Temperature & Process Measurement products. Our core products include Thermocouple & RTD sensors, Pressure Gauges & Transducers and Process Instrumentation. We place a strong emphasis on offering the very best level of customer service and high quality products.

The Role:

The position offers an excellent opportunity for long term career progression and includes the following aspects:

1. To manage and develop existing accounts
2. To offer technical backup & advice
3. To develop and identify new sales opportunities

The Candidate:

The candidate must have proven sales track record in Process Control & Instrumentation field. The ideal candidate will have specialised in Thermocouple & RTD sensor sales, although a background selling Pressure Gauges & Transducers or Control Instrumentation may also be considered. The candidate must be focused on offering the very best level of customer service, have strong communication and creative skills, be methodical and precise.

Application:
